Eurobox XL boxes have one size for the bottom, three sizes for the height and a lid that fits all. The big box is made of 2-ply cardboard that makes the box exceptionally strong. Thanks to the Twinboxmatic instant bottom, the box is quick to build. All lids are self-sealing and quick to close. Important! The lid is not included in the box. Get a lid for your box from here: [CP154.604001](#). The lid can be customised with your company's image, making it easy to get a stylish packaging that suits your brand at a low price.
